Subject: CSBG Income Eligibility

Program Guidance: CSBG-2022-01

Effective November 1, 2021, the following IHCD A guidance is in effect.

As noted in IHCD A Guidance issued June 1, 2021 (CSBG 021-02), the increase to income eligibility ended October 1, 2021 (the start of federal fiscal year 2022). However, the Continuing Resolution, *Extending Government Funding and Delivering Emergency Assistance Act*, signed by President Biden on September 30, 2021, allocates CSBG funds through December 3, 2021.

Therefore, as of November 1, 2021, **CAAs may use the 200% FPL for any income verification or re-certification done for CSBG-funded services where individuals and households may be eligible until the Continuing Resolution ends December 3, 2021.** This impacts all active CSBG awards, including the following:

- CS-021-xxx
- CS-CV-020-xxx

IHCD A continues not to have a state-required process for verifying income, nor is there a requirement for how often an individual or household receiving services needs to be re-certified.

Please direct all questions regarding this guidance to Tina Darling at csbg@ihcda.in.gov.
